

Sugar Magic Christmas 2011

Sugar Magic is committed to producing lusciously rich fruit cakes which have been matured in spirit for several weeks prior to decorating. Following numerous requests last year, I have included a glazed rich fruit cake option and also a plain rich fruit cake which you can decorate to your liking.

For a special gift, a range of gift boxed miniature fruit cakes are available, these cut into 4 generous portions. A postal service is available for this range, please contact Sugar Magic for further details (UK service only).

Christmas is a magical time for children and so many dislike fruit cakes, so I have included some gift ideas to give the little ones an extra special treat.

This year there are two sizes of fruit cakes available. A 6 inch will serve approx 18 and an 8 inch will serve approx 32 (this is based on a 2x1 inch slice).
